

Re:Vision

REACH FURTHER. GROW STRONGER. PARTNER EVERYDAY.

"You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

Matthew 5:14-16

Heavenly Father,

Thank you for all of the ways you have and continue to pour out hope and love in my life and through my life to those around me. Thank you that I'm a recipient of your light that has been passed down from generation to generation for thousands of years...and you're not done yet. Thank you for the people who took an incredible step of faith thirty-five years ago to begin this community and for those who made an incredible sacrifice to move our community and prepare us for this season ten years ago. Thank you for the love you've poured into my life through their sacrifice.

Today I want to hear your voice about the sacrifice you are asking me to make in order for the legacy of faith to continue. Please show me what to give, how to give, where to sacrifice, and help me to hear your clear voice in this important season. Help those around me to hear your voice, too. I also pray that you would use my sacrifice to show the power of your love to my loved ones and the people around me. It's not about me. It's about you.

And for your future in this place, God, please give me the eyes to see the how you want to use Eastern Hills as a conduit of your love to our community. Give me vision and faith to believe for the kind of miracles that will restore families and lives to hope and health in you. Give me the kind of faith and confidence in you that those who came before me modeled. And help me to measure my sacrifice and love towards others by the way your Son loved and gave His life for me.

In Jesus' name I pray, Amen.
